## Make it a Million

For nine days in the summer, Proms at St Jude's presents a spectacular line-up of concerts, literary events, Heritage Walks and late-night comedy.

The Festival continues to grow in size, quality and reputation. In 2020, we need you to help us reach a very special milestone – one million pounds raised for charity since we started in 1993.

Our musical programme showcases some of the best young musical stars, returning favourites and some of the world's most distinguished performers.

This year marks the 80th anniversary of the sinking of the *SS City of Benares*. We have commissioned a new piece of music to commemorate this tragic event, which resulted in heavy loss of life including 77 evacuee children. Michael Rennie, the son of the vicar at St Jude's died trying to save the children.

Every year, over 5,500 people visit us in Hampstead Garden Suburb. Proms at St Jude's is organised and run almost entirely by volunteers. It is a festival that celebrates music, culture, community and charity.

Last year, we welcomed over 1,500 new visitors to our Festival from all over London. If you are a past visitor, we look forward to seeing you again. If you have never joined us, come and experience the magic of Proms at St Jude's and help us 'Make it a Million'.
